

# Daytona Beach RV Resort

## Port Orange, Florida

---

The Daytona Beach RV Resort is the perfect vacation spot for all those who enjoy the amenities of the modern world, but in a relaxing tropical setting. A slice of Floridian heaven; the resort has a variety of onsite amenities, and offsite attractions enticing for the whole family.

Located just off the Eastern coast of Florida, the resort is in range of beautiful and relaxing beaches, and exciting motorsports. Just seven miles away from Daytona, one could spend one day at the Daytona International Speedway, and the next resting their feet in the sand or taking a dip in the ocean.

Due to its tropical atmosphere, the resort is a great year-round getaway, especially during the winter months. While the rest of the country is snowed in, Florida (even in the coldest months) averages temperatures in the mid-70s, meaning you can spend more time doing what you want, instead of shoveling snow.

Daytona is famous for its speedway and gorgeous beaches; however, that's not all Daytona has to offer. Take a tour through the Angell and Phelps Chocolate Factory and learn how to make delicious handmade confections, take a tour through one of Daytona's many museums, or visit a performing arts show. There's so much to do you'll want to stay longer just to experience it all.

The location of the resort makes it a perfect home base or pit stop for your vacation. Spend the day in Daytona and

in minutes you can be right back to the resort ready to unwind for the next day. Want to keep heading south? Take advantage of the resorts proximity and ease of access to highways to take you to your winter destination.

The resort offers 235 full hook-up RV sites large enough to hold RVs of any size, with the option to add cable television and wireless internet to individual sites. For extended stay, there's a laundry facility and a convenience store for you to refresh and restock.

The resort offers a heated pool which is great year-round fitness or relaxation. Enjoy your free time with friends and play a relaxing game of shuffleboard or petanque/bocce, or test your skills at the horseshoe pits. During the busy winter season, the resort organizes social events for all including game nights, bingo, line dancing, happy hour, campfire and karaoke.

Best of all, Enjoy America! members can stay one night and get the second night 50% off. This offer is based on availability and cannot be combined with any other offers, not valid during holidays and is not available January through March. Public rates range from \$42 to \$47 a night. This RV resort is open year-round, reservations are accepted, but drive-ups are welcomed.

Call Enjoy America! today at 1-888-643-6569 to make reservations. For more information about this resort and others, visit [www.resortparks.com](http://www.resortparks.com).
