

Quality Family Camping in Meadowbrook Camping Area

Meadowbrook Camping Area is a second generation, family owned and operated campground nestled on 60 acres. We are located in Phippsburg, Maine, a small town peninsula, just outside of Bath and only 10 minutes from the most popular beach in the area, Popham Beach State Park.

Situated on about 42 acres, Meadowbrook Camping has everything to offer. Over 100 campsites are nestled into the pine forest with most of these sites having electrical and water hookups.

Only a short drive to either Popham Beach State Park or Reid State Park yet just 25 minutes to Freeport and L.L. Bean! It is also less than an hour to many Mid-coast Maine Villages such as Wiscasset, Boothbay Harbor and Cundy's Harbor. Our amenities include, Cottage & Cabin Rentals, Spacious Open or Wooded sites for any type of unit, General store with Gifford's Ice Cream, Drifters Reef Snack Bar, 20x40 heated swimming pool, Rec Hall with Snack Bar, Pool Table & Video Games,

Enjoy a fresh Maine Lobster Dinner with your family every night at Meadowbrook.

We have our own lobster pound on location and we cook them at no extra charge! Just tell us what time you'd like to eat, pick out the lobsters, clams and corn that you want and we will do the rest! Then eat them in our cozy sun room located in front of the store, our rec hall or take them back to your campsite!

If pizza or burgers are more to your liking, visit the new Drifter's Reef snack bar located in our rec hall! Be sure to check out our website at www.meadowbrookme.com or call us at 800-370-2267.

Of course Meadowbrook offers the usual campground amenities including a heated in-ground pool, rec hall with a kitchen, convenience store and bathhouse as well as recreation areas; but it is its prime location that sets it apart.
