

14th Edition
Campground Guide Update
January 2012

Quality Camping at Half-Price

Enjoy America! makes quality camping more affordable with 50% savings on regular overnight fees for RV sites at participating campgrounds. Your 50% discount is good for the duration of your stay, one night only, or a few days on a space available basis as specified by each park in the Update and the Enjoy America! directory. We make every effort to make sure the information in our campground directory is accurate. However, parks sometimes need to make changes during the year. Our web site www.enjoy-america.net and this update contain the latest information and is your best source for current park and price information. We recommend that you use these tools (the web site or update) to make sure that you have the latest information-so there will be no “surprises” when you arrive.
